

Little Sisters of the Poor

Caring for the elderly poor since 1839

January 27, 2022

Dear Jeanne Jugan Community,

Just a brief update:

The Home continues to follow the guidance from the RI Department of Health with surveillance testing once a week, and as needed rapid testing for symptomatic staff and/or residents. Our results from Monday, January 27th, were all negative except for three staff members who were asymptomatic.

The RI DOH reports that the rate of Covid 19 cases is declining in Rhode Island and testing is becoming more available.

Communal dining on the units is continuing along small group activities on the units.

Thank you for your continued support and prayers for our staff and residents!

Mother Patricia Metzgar
