

Little Sisters of the Poor

Caring for the elderly poor since 1839

February 9, 2022

Dear Jeanne Jugan Community,

Just a brief update:

The Home is starting to see a decrease in the number of COVID cases among staff members over the last couple of weeks. There were no Covid 19 positive results from testing on January 31 and one positive case from testing on February 7. The Home is now receiving results within two days.

On February 2, the Sisters celebrated the Feast of the Presentation called Candlemas, celebrated with a candle blessing and procession.

Thank you for your continued support and prayers for our staff and Residents!
