

Little Sisters of the Poor

Caring for the elderly poor since 1839

May 20, 2022

Dear Jeanne Jugan Community,

Just a brief update:

The Home received two staff reports, one with a positive Covid test and another with a positive influenza test. All staff will return to wearing N95 masks and the Home will continue to screen residents, staff and visitors daily for any Covid symptoms.

The Home will be administering the second booster for Residents on May 24th. The RI DOH contractors who administer the boosters had to reschedule the original date of May 18th.
