

Little Sisters of the Poor

Caring for the elderly poor since 1839

September 19, 2022

Dear Jeanne Jugan Community,

COVID UPDATE:

The Home has increased activity of COVID 19 among Residents and Staff. Residents will either isolate in their room, if positive, or quarantine if negative. We would recommend not visiting at this time due to the COVID activity on the Long Term Care Unit. If you decide to visit, please make sure to follow the directions regarding masking and donning the personal protective equipment. This may include gowns, gloves, face shield and mask per RI Department of Health guidelines. The Home will continue to screen and conduct surveillance testing among Residents and staff per the RI Department of Health guidelines.

Once again, please do not visit if you have any symptoms. When visiting please wear your mask and maintain social distance of 3 feet. Hand washing is very important to prevent the spread of viruses.

Thank you for your continued prayers and support!

Mother Patricia Metzgar
