

## Little Sisters of the Poor

Caring for the elderly poor since 1839

September 25, 2022

Dear Jeanne Jugan Community,

### **COVID ACTIVITY:**

Only one new COVID positive case since last week. Residents who are COVID positive need to isolate for at least 10 days. We are asking if you are sick to reschedule your visit. Even minor symptoms like a “scratchy” throat, runny nose may develop into COVID.

### **NEW GENERATOR**

We are expecting bright skies on Tuesday, September 27, and therefore, the electricians will be working with RI Energy to connect the new generator to the Home’s electrical power. They expect that there will be a short period of time without power and then emergency power for most of the day. The Home has completed practice drills in preparation for the transfer of power.

If you have any questions, please reach out to us. You can always visit our website, <https://www.littlesistersofthepoorpawtucket.org/> for any COVID updates.

Thank you for your continued prayers and support!

*Mother Patricia Metzgar*
