Caring for the elderly poor since 1839

September 5, 2022

Dear Jeanne Jugan Community,

Just a brief update:

The Home has learned that another member of our staff has tested positive for COVID 19. The staff member has only mild symptoms and does not provide direct care to Residents. None of our Residents are exhibiting any signs or symptoms of infection. The Home will be continuing the screening of Residents, Staff and visitors.

Thank you for your continued prayers and support!
