

Little Sisters of the Poor

Caring for the elderly poor since 1839

December 6, 2022

Dear Jeanne Jugan Community,

COVID ACTIVITY:

This week a staff member and visitor tested positive for Covid. The staff member's symptoms were mild and no other staff or Residents are showing any symptoms. The Home will continue screening Residents, staff and visitors.

We ask if you have any cold symptoms, tested positive for Covid or flu, or have had a close contact with a person who is Covid positive, **please** schedule your visit for another day! This is for the health and wellbeing of all our Residents, Staff and Sisters. We continue to **encourage** all staff and visitors to get vaccinated with the Covid bivalent vaccine to be up to date and also remember to obtain your flu vaccine!!

If you have any questions, please reach out to us. You can always visit our website, <https://www.littlesistersofthepoorpawtucket.org/> for any COVID updates.

Thank you for your continued prayers and support!
