January 21, 2023

Dear Jeanne Jugan Community,

Brief Update:

COVID ACTIVITY:

RI Department of Health continues to report high transmission rate of COVID 19 in the Providence county area. The Home continues to screen and test residents and staff. Only one resident has been identified as positive through surveillance. With ongoing surveillance testing, the cases of COVID among staff and residents within the facility has declined. Based on this data and for the wellbeing of the residents, the Home will resume activities as appropriate.

If you have any questions, please reach out to us. You can always visit our website, <https://www.littlesistersofthepoorpawtucket.org/> for any COVID updates.

Thank you for your continued prayers and support!
