Caring for the elderly poor since 1839

April 7, 2023

Dear Jeanne Jugan Community,

Brief Update:

COVID ACTIVITY:

Cases of Covid have declined significantly over the last couple of months in Rhode Island. Currently, the State of RI is at a moderate level of transmission. However, the Home has identified one clinical staff member with mild symptoms who tested positive. We will continue our surveillance testing of close contacts on each of the units.

The Home continues to screen all visitors, residents and staff. Please do not visit if you have been exposed or symptomatic. If you have any questions, please reach out to us. You can always visit our website, <https://www.littlesistersofthepoorpawtucket.org/> for any COVID updates.

Thank you for your continued prayers and support!
